D-Link DVG-7111

Введите в адресной строке браузера адрес **192.168.8.254**,

Username: **admin**,

Password: **остаётся пустым**.

Выберите пункт во вкладке «MAINTENANCE», пункт меню «Backup and Restore», раздел «SYSTEM—UPLOAD SETTINGS» нажмите кнопку «Выберите файл»:

The screenshot shows the D-Link web interface for a DVG-5402SP router. The top navigation bar includes 'SETUP', 'ADVANCED', 'MAINTENANCE', 'STATUS', and 'HELP'. The 'MAINTENANCE' tab is active, and the 'Backup and Restore' menu item is selected. The main content area is divided into several sections:

- SYSTEM -- SAVE AND REBOOT**: Contains a 'Reboot' button and a checked 'Save All Settings' checkbox.
- SYSTEM -- BACKUP CONFIGURATION FILE**: Contains a 'Backup Settings' button.
- SYSTEM -- BACKUP CONFIGURATION TEMPLATE FILE**: Contains a 'Backup Template' button.
- SYSTEM -- UPLOAD SETTINGS**: Contains an 'Upload Configuration File' button and a 'Configuration File' field with a 'Выберите файл' button circled in red.
- SYSTEM -- RESTORE DEFAULT SETTINGS**: Contains a 'Restore Default Settings' button.

On the right side, there is a 'Helpful Hints...' section with text explaining how to save and restore configurations. The bottom of the page features a 'BROADBAND' logo.

Выберите необходимый файл.

Нажмите кнопку «Upload Configuration File» для загрузки сохраненного файла.

The screenshot shows the D-Link web management interface for a DVG-5402SP router. The top navigation bar includes 'Site Map' and 'Firmware Version : RU_1.01'. The main menu has tabs for 'SETUP', 'ADVANCED', 'MAINTENANCE', 'STATUS', and 'HELP'. The left sidebar lists various management options, with 'Backup and Restore' selected. The main content area is divided into several sections:

- SYSTEM -- SAVE AND REBOOT**: Contains a 'Reboot' button and a checked 'Save All Settings' option.
- SYSTEM -- BACKUP CONFIGURATION FILE**: Includes a 'Backup Settings' button and a note: 'Note: Please always save configuration file first before viewing it.'
- SYSTEM -- BACKUP CONFIGURATION TEMPLATE FILE**: Includes a 'Backup Template' button and a note: 'Note: Please always save configuration template file first before viewing it.'
- SYSTEM -- UPLOAD SETTINGS**: Features a file selection field with 'Выберите файл' and 'Файл не выбран' buttons, and a red circle highlighting the 'Upload Configuration File' button.
- SYSTEM -- RESTORE DEFAULT SETTINGS**: Includes a 'Restore Default Settings' button.

On the right side, there is a 'Helpful Hints...' section with instructions on saving configuration files and restoring defaults. The bottom of the page features the 'BROADBAND' logo.

Далее необходимо выполнить перезагрузку роутера с сохранением настроек, для этого поставьте галочку «Save All Settings» и нажмите кнопку «Reboot».

The screenshot displays the D-Link web management interface for a DVG-5402SP router. The top navigation bar includes 'Site Map' and 'Firmware Version : RU_1.01'. The main menu on the left lists various system management options, with 'Backup and Restore' currently selected. The central content area is divided into two sections: 'SYSTEM -- SAVE AND REBOOT' and 'SYSTEM -- BACKUP CONFIGURATION FILE'. In the 'SAVE AND REBOOT' section, a checkbox labeled 'Save All Settings' is checked and circled in red, with a 'Reboot' button positioned directly below it. The 'BACKUP CONFIGURATION FILE' section provides instructions on saving the configuration file to a PC and includes a red note: 'Note: Please always save configuration file first before viewing it.' A 'Backup Settings' button is located at the bottom of this section. On the right side, a 'Helpful Hints...' sidebar offers guidance on saving configurations and restoring default settings.
